

Maternity ward Braine-l'Alleud Hospital

PRENATAL CONSULTATION with a midwife

FOR WHO?

Any woman who is +/- 7 months pregnant.

FREQUENCY?

Once during the pregnancy.

HOW?

To make an appointment, please call

The secretariat of Gynaecology: 02/434.94.39

Or the Maternity ward: 02/434.95.10

During this consultation, you will be able to ask anything to the midwife.

Here are some of the most frequent subjects:

- The role of the midwife before, during and after the birth.
- Different sorts of preparations, the way you to feed your baby (breastfeeding, baby bottle)
- The operation of the maternity ward (when it is necessary to come over, you stay, visiting hours)

You will also receive some explanations about the information sessions and some useful documents about your stay in the maternity ward.
